DEAR LORD,

we know that You will give us  
everything we need  
to do Your will.

We humbly ask You  
to bless our capital campaign  
and give us the means  
to repair our church,  
and restore its original beauty  
so that we can rejoice  
and praise You in it  
for many generations to come.

We ask this through  
Christ Our Lord.

*Amen*
